Company Name: Vokant Management Oy

Description: Our company was founded in 1998. At the beginning we were importing thermal and technical underwear from the United States to Russia and Finland. After few years we created our own brand of functional thermal underwear and thermal socks Guahoo. It is manufactured in China and Europe with accordance to our unique technologies and under control of our specialists. At present moment Guahoo is well sold in Russia, Finland, Latvia and some other countries. Currently, we are focused on development and marketing of Guahoo and are eager to broaden our sales network in Europe and the United States. Our second brand is Laplandic which is sold for a more democratic price. We offer Laplandic to our corporate customers and professional users such as communal services workers, police, gas and oil industry, etc. Our shipping option for Europe is EXW Helsinki. For the United States it is EXW New-York.
